

DONCASTER GOLF CLUB COURSE SAFETY

**FOR YOUR OWN SAFETY
AND THE SAFETY OF
OTHERS**

GREENS STAFF: Have priority at all times.

Players are expected to wait for staff to acknowledge them and move out of range, **BEFORE** playing a shot that might endanger them.

DO NOT assume a greenkeeper will be able to hear or react to a shout of “FORE!”

LIGHTNING: In the event of an electrical storm, suspend play immediately and take appropriate action.

FOG & DARKNESS: Do not commence or continue play in fog/poor visibility, when you cannot see the clear distance of your intended shot.

THE COURSE, IT'S STEPS AND SURFACES may be slippery when damp or wet. Golfers must ensure to wear appropriate footwear to meet the prevailing conditions. Wherever possible, keep to footpaths and steps.

Care should be taken when entering and leaving deep-sided bunkers and on steeper slopes around the course.

BUGGIES: To ensure the safety of all golf course users, buggy drivers are required to comply with the Club's Buggy Policy and follow designated buggy routes at all times. Take particular care on slopes and around ditches and deep-sided bunkers.

HOLES 11,14 & 15 : Give priority to people on the public footpath.

Golfers must not tee-off until the footpath ahead of them is clear.

FIRST AID: Assistance is available in the Clubhouse.

All accidents must be reported to the office.
